

CanPrev Products

1. Collagen Beauty – Powder

- Supports skin elasticity and healthy collagen production.
 - Helps improve skin appearance, reduces wrinkles, and diminishes fine lines.
 - Stimulates fibroblast cells to enhance collagen metabolism.
 - Contains bioactive epidermal collagen peptides clinically proven to reduce eye wrinkles in as early as 28 days.
 - **Also available in liquid form.**
-

2. Active Multi Drink Mix – Juicy Blueberry

- Combines **25 essential vitamins and minerals** for optimal absorption.
 - Features **bioactive B vitamins** and **fully chelated minerals** for maximum benefit.
 - Natural juicy blueberry taste; mix into water, smoothies, or beverages.
 - **Available in 219 grams (25 servings).**
-

3. Curcumin Unlocked

- Derived from turmeric, used in **Ayurvedic remedies** for joint-related inflammation.
 - Contains **curcuminoids**, which have powerful antioxidant properties.
 - Uses a **proprietary water-dispersible colloidal suspension technology** for enhanced absorption.
 - Contains **300mg of TurmiPure® turmeric extract**, standardized for high potency curcuminoids.
 - **Available in 60 vegetable capsules.**
-

4. K2 Drops

- **Vitamin K2** is essential for blood clotting and bone metabolism.
 - Contains **Menaquinone-7 (MK-7)**, an effective activator of osteocalcin for calcium deposition in bones.
 - Works synergistically with **Vitamin D3** to enhance bone and teeth mineral strength.
 - Uses **K2VITAL®**, a pure, active, and 100% trans form of MK-7 derived from organic synthesis.
 - Each drop provides **30mcg of Vitamin K2 (MK-7)** in an **MCT oil base** for better absorption.
-

5. L-Glutamine Vegan Amino Acid

- Provides a high potency dose of **pure, fermented L-glutamine**.
 - Supports **immune and gastrointestinal cells** and helps repair **muscle cells** after exercise.
 - Mix with water or blend in a smoothie for daily nutrition.
 - **Vegan and fermented, with no fillers or binders.**
-

6. Myco10 Immunomodulating Mushroom Complex

- Contains **7 immunomodulating mushrooms** and **3 whole food antioxidants** in a prebiotic base.
 - Supports the immune system against oxidative damage and chronic stress.
 - Rich in **beta-glucans**, known for their immune-boosting properties.
 - Includes antioxidants from **acai, acerola, and goji**.
-

7. Post-Biotik Immunobiotics

- Provides bioactive compounds from friendly bacteria to regulate the immune response.
 - Contains **pre-converted nutrients** for easy gut absorption.
 - Uses **quorum sensing proteins** to support gut bacterial communication and balance.
 - Made from **heat-killed Lactobacillus strains** with enzymes, metabolites, and other immune-supporting compounds.
-

8. Fibre Feel

- Provides **4g of organic, FODMAP-friendly soluble fibre** per scoop.
 - Supports gut health, reduces inflammation, and improves **bifidobacteria levels**.
 - Gentle and **clinically studied** for digestive benefits.
 - **Available in 325 grams (65 servings).**
-

9. Liposomal Curcumin 100 – Peach

- Ayurvedic **antioxidant curcuminoids** neutralize free radicals that cause inflammation.
 - Uses **liposomal nutrient delivery** for enhanced absorption.
-

10. Magnesium Bis-Glycinate Drink Mix – Juicy Blueberry

- Essential for **800+ enzymatic functions**, including DNA synthesis and muscle function.

- Ultra-gentle magnesium **bis-glycinate** for easy absorption.
 - Recommended for **those on multiple prescriptions or with digestive conditions**.
 - **Provides 250mg of elemental magnesium per scoop.**
-

11. Liposomal Milk Thistle

- **Antioxidant-rich herb** used to support liver function.
 - Reduces **liver inflammation and free radical damage**.
 - Contains **silymarin**, which helps **protect and regenerate liver cells**.
-

12. ElectroMag Effervescent Drink

- Magnesium supports **800+ enzymatic reactions**, from **DNA synthesis to nerve function**.
 - Helps **activate ATP**, the body's energy molecule.
 - Addresses **magnesium depletion** from modern diets.
-

13. Elderberry C Liquid

- Formulated with **pure European black elderberry extract** and **vitamin C**.
 - Provides **14% anthocyanins** for **immune support**.
 - Helps relieve **cold and flu symptoms** like fever, cough, and sore throat.
-

14. Silicon + Biotin

- **Supports healthy hair, skin, and nails**.
 - Contains **LIVING SILICA®**, a **highly absorbable** silicon source.
 - **Better absorbed** than colloidal, horsetail, or bamboo silicon.
 - **Available in 60 vegetable capsules and liquid form**.
-

15. Liposomal Quercetin – Pineapple

- **Quercetin**, a powerful antioxidant, helps protect cells and reduce oxidative damage.
 - Uses **liposomal delivery** for **enhanced solubility and absorption**.
-

16. Collagen Full Spectrum – Powder

- Features **Peptiplus® Collagen Peptides** from **grass-fed, pasture-raised cows**.

- Supports **joints, bones, muscles, ligaments, and skin.**
 - **No smell, no taste, dissolves instantly** in drinks.
 - **Contains Type I and III Hydrolyzed Collagen.**
 - **Also available in liquid form.**
-

17. L-Glycine Vegan Amino Acid

- Provides a high potency dose of **pure L-glycine.**
 - Supports **growth hormone levels, blood sugar regulation, and collagen production.**
 - Aids **brain health** and **post-workout recovery.**
 - **Vegan, no fillers or binders.**
-

18. Green Up! with GRAMS

- A blend of **greens, red fruits, and superfoods** like **spirulina, chlorella, acai, and goji.**
 - **Contains immune-boosting mushrooms and adaptogenic herbs.**
 - **100% plant-based, certified organic, and GMO-free.**
-

19. Myo-Inositol

- **Supports mood balance, brain function, and hormone regulation.**
- Helps **reduce low mood, anxiety, and binge-related eating disorders.**
- Promotes **healthy glucose metabolism and menstrual cycle regulation.**
- Assists **cardiovascular health by preventing lipid buildup.**
- **Available in 500 grams (125 servings).**
